

**Dunearn Secondary School
FAQs for PRIME**

Question	Answer
What does PRIME stand for?	Programme for Rebuilding and Improving Schools
When did the school undergo PRIME?	The school has not undergone PRIME. We moved to the current premises in 1993.
Why do we have to PRIME?	The objective of PRIME is to equip schools with up-to-date physical infrastructure and facilities to provide a physical environment conducive to learning and creative thinking.
When will the school move out?	After the O level examinations in November 2015. There will be no disruption to teaching and learning.
How long will the school be at the holding school?	Jan 2016 to Dec 2017 (2 years)
When will the new school be ready?	We will function at the current premises from Jan 2018
Where is the holding school?	The school will hold at the former Boon Lay Secondary site located at 247 Jalan Boon Lay S(619522).
What buses go there?	157, 172, 174, 174e, 198 on Jalan Boon Lay 30, 154, 178, 180, 187 on Boon Lay Way
What about MRT?	Use Boon Lay MRT station. Distance between school and Boon Lay MRT station is 630 metres.

My child is on FAS and doesn't have money to travel to school.	Please let the GO or your child's FT have your contact details. The school will look for ways to help you.
My child is young and cannot travel so far alone.	Please let GO or your child's FT have your contact details. The school will look for ways to help you.
Why was PRIME not mentioned in the S1 Options booklet?	At the point the booklet was being prepared, the school did not have confirmed information about PRIME nor the holding site.
I would like to talk with the Principal about this.	Please call the General Office to arrange for Principal to call you or to meet up with you.
