Dear Parent/Guardian,

PROGRAMME FOR REBUILDING AND IMPROVING EXISTING SCHOOLS (PRIME)

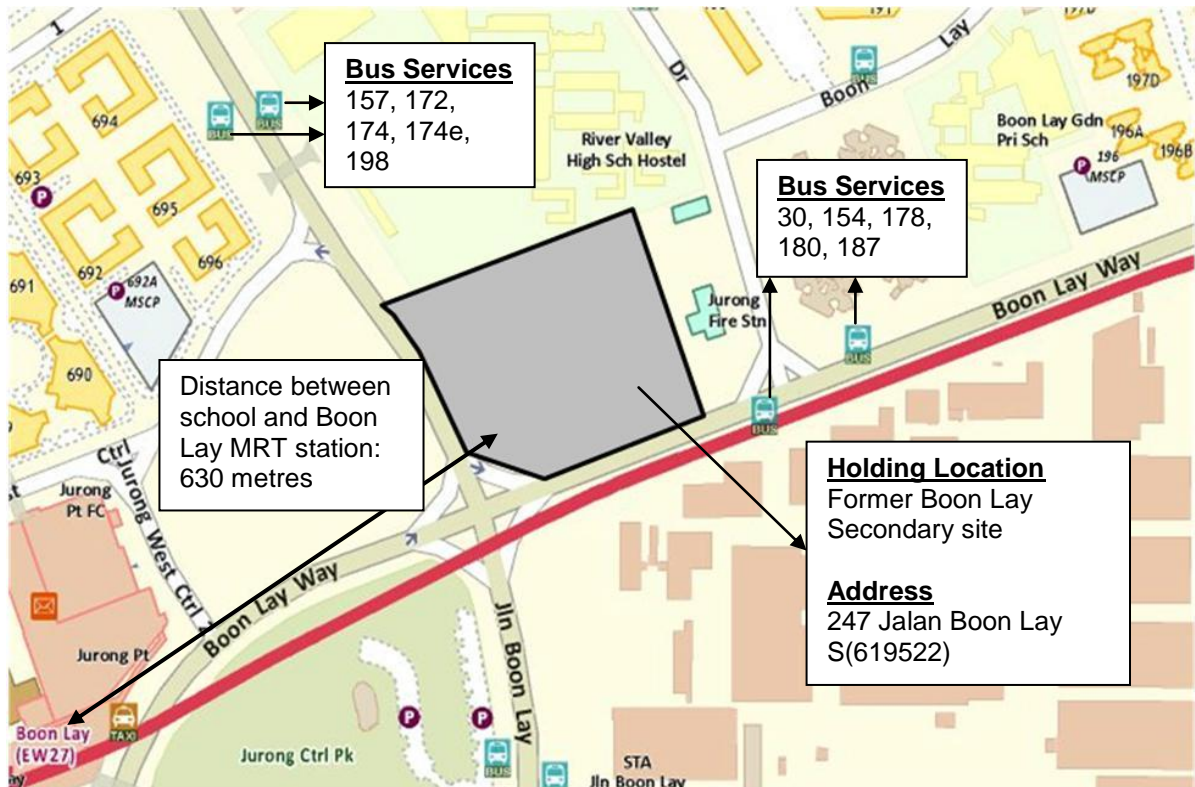

1. The Ministry of Education has initiated a Programme for Rebuilding and Improving Existing schools (PRIME). The objective of PRIME is to equip schools with up-to-date physical infrastructure and facilities to provide a physical environment conducive to learning and creative thinking.
2. We are pleased to inform you that Dunearn Secondary School has been identified for PRIME. The school will be upgraded from Jan 2016 to Dec 2017. During this period, the school will hold at the former Boon Lay Secondary site located at 247 Jalan Boon Lay S(619522). See location plan attached. The school will move back to its existing site when the upgrading is completed.
3. We seek your continual support and co-operation in working together with us to provide a value-added education for your child. If you have further enquiries, you may contact the school.

Thank you.

Yours sincerely,

Boo Hian Kok
Principal
